“Video is a requirement if you want to be considered a top facility. Players want to know what they are doing while they are doing it. Coaches want new and effective ways to challenge and inspire students. Powerful, simple to use on court video is the right way to do it. ProMirror delivers this and more. “

Dave Weisman
Tennis Director
Bosse Sports

“We are extremely pleased Bosse Sports has selected ProMirror as its provider for on court video. It's our pleasure to be associated with an organization that is committed to excellence and requires nothing but the very best in everything they do. “
