

VTS-5000

Video System

Rugged Outdoor Solution

EASY TO USE

No Computer Skills Required

INSTANT FEEDBACK

Review Live Action While You Train

RAPID IMPROVEMENT

Accelerate The Learning Process

Everyone agrees that video is a great tool for helping athletes improve their skills. The VTS-5000 Video System developed by ProMirror is a powerful and easy-to-use video training solution for athletes, coaches and training facilities. Applications in baseball include hitting, pitching, catching, fielding or any other skill where improvement is required.

The system allows users to capture and save thousands of video clips, perform detailed analysis and create DVDs or VCR tapes for further review by the athlete or instructor. Try the VTS-5000 today to experience how easy the system is to use and how quickly you will come to depend on ProMirror as a valuable tool in player development.

ProMirror customers include the New York Yankees, New York Mets, Arizona Diamondbacks, Pittsburgh Pirates, Minnesota Twins, Toronto Blue Jays, Kansas City Royals, Cincinnati Reds, Tampa Bay Rays, ASU Sun Devils, USC Trojans, OSU Beavers, U. Miami Hurricanes, Frozen Ropes, Extra Innings and numerous other teams and facilities.
